

January 31, 2019

Dear Business Owner,

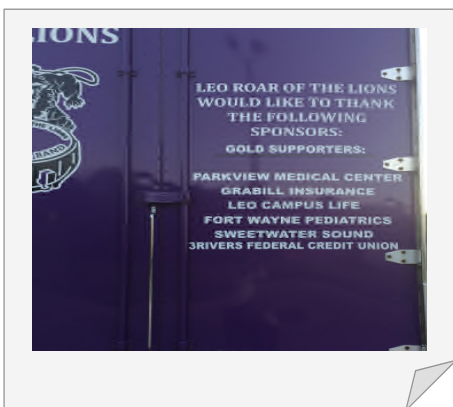

The Leo High School Band is gearing up for the 2019-2020 music season. Our band does things a bit different in that we seek out sponsors to support our band and then give them recognition throughout the entire school year. In that campaign, we have several sponsorship levels. Our key sponsor level is the Premiere Sponsor of our program, which is accomplished via a \$2,000 contribution. This level of sponsorship allows organizations to receive prominent recognition in our three Band Concert Programs held during the program year, their logo on the Leo Band website, their logo on our band shirts, recognition in our Leo Community Annual Dinner Auction Extravaganza Event Guide and Bidder Information Booklet, and their name prominently placed on our Band Trailer which travels throughout the state of Indiana during the Marching Band season. All of the dollars received through these sponsorships go directly to reducing the cost to each student who participates in Marching Band, and is clearly communicated as such to each of the band students and their families. In addition, by raising funds through sponsorships, our band is able to reduce the number of fundraisers held during the program year to reduce taxing of our community, our students and their families.

Would your business be willing to sponsor our band for \$1,000? Or perhaps become a premier sponsor?

LEO BAND SPONSORSHIP OPPORTUNITIES:

Sponsorship Level	Cost	Band Website	Band Concert Programs	Logo on Band T-shirts	Dinner Auction Program	Band Semi-Trailer
